

9th Grade Science Classes at Granger High

Earth and Space Science

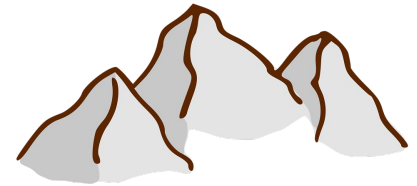

Perfect for students interested in:

Geology

Astronomy

Environmental Issues

Hands On Problem Solving

Biology

Perfect for students interested in:

Plants

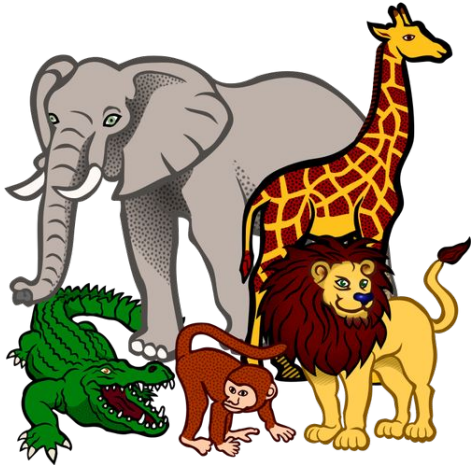

Animals

Genetics

Evolution

Ecosystems

Research Projects

Chemistry

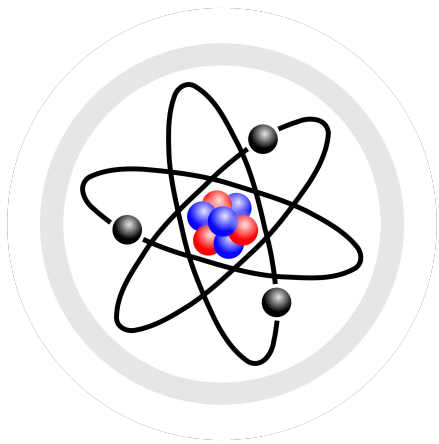

Perfect for students interested in:

Explaining Observations

Reactions

Matter

Hands On Group Inquiries

Physics

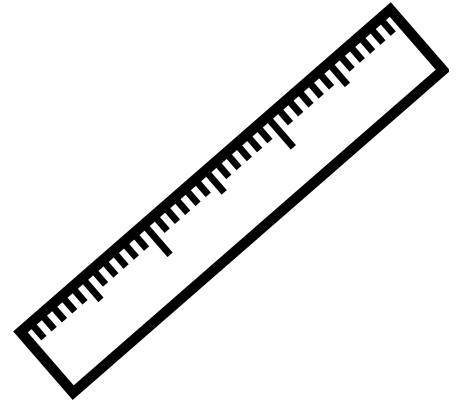

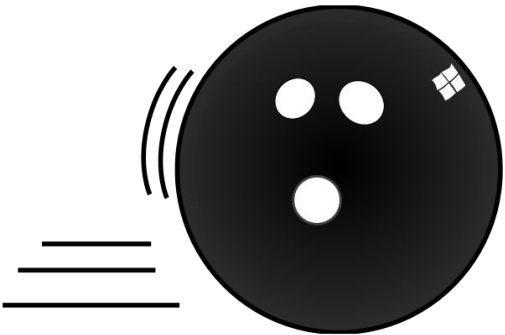

Perfect for students interested in:

Motion

Energy

Forces

Hands On Data Collection

Future Science Class Opportunities

AP Biology

Marine Biology

AP Chemistry

Wildlife Biology

AP Physics

Environmental Science

Chemistry 1010 CE

Astronomy
