

Attention all Freshman & Sophomore Readers:

Do you like to explore other worlds, other people, other realities? Do you want to challenge your brain, imagination, and intelligence? Do you want to increase your knowledge of culture, history, worldviews, and new ideas? Do you want to be inspired? Then this is the course for you. The fact is reading makes you smarter AND... it is FUN. Join this class and you will be joining others who enjoy reading, discussing, and delving into the world of fiction.

It's like book club everyday. YAY!
